THE LEADERSHIP CONFERENCE

CONFERENCE ATTENDEES

As each of our organizations Evolve...the relationships we have with our sponsorship partners continue to be of the utmost importance. The trust and connection created and maintained will be key in our ability to succeed in all phases of the hospitality economic cycle.

This year, in lieu of a trade show, we have created a “lookbook” that will serve as a tool for you, our leaders, to easily have access to the companies and contact information that Remington and Premier proudly and mutually support. This tool will also be available to you in an electronic format. We believe the lookbook is an elevated benefit to our sponsors based on its year long, ongoing reach.

In addition, we will be providing our sponsors two robust and flexible summaries - an expanded list of Leadership Attendee and Contact Information and a Renovation Overview by Property for 2019/2020. Both of these items will allow them to navigate our company and opportunities with increased ease.

We expect your engagement as it relates to the sponsors we endorse (at both conference and in 2019) and trust you will maximize the opportunity to get to know the people attending the conference representing our important partners.

Thank you,

MARK

Kevin Barry Fine Art (KBFA) is an award-winning art consultancy with over 25 years' experience and showrooms in Los Angeles, San Francisco and Las Vegas.

Our art consultants source artwork for interior designers and the architectural community, as well as with art collectors, corporate, hospitality and healthcare clients, to create exceptional pieces of modern and contemporary site-specific and interactive works of art. Our philosophy is centered on a belief that art shouldn't be an afterthought. It is an intrinsic part of how a space looks – and feels. We believe that simply walking into a room should inspire you.
